

Camel Premium Poster Colours (20 shades)

◆ PREMIUM POSTER COLOURS

Oldest but newest vibrant colours. Premium Poster Colours have been an important segment of Camel's Fine Art portfolio. Camlin had launched Poster colours in the year 1965. Camel's Premium Poster colours are an upgrade to superior quality poster colours.

Camel Premium Poster Colours are ideal for a smooth and matt finish painting & to achieve a complete opaque mass tone. Made from the finest pigments, they give high covering capacity with a brush or spray gun. The colours flow easily, dry quickly and evenly and are easy to mix.
